

System/Kit Cases

Zistos System Cases are rugged, lightweight, and optimized for portability and storage to organize, protect and transport their valuable contents.

Features:

- Rugged construction to withstand the rigors of commercial use
- Waterproof and oil resistant (except soft cases - B, S6, S9 and S20)
- Lightweight and easily transportable (larger cases have wheels)
- Stores, organizes, protects and transports valuable contents
- Designed to house application-specific systems and kits
- Each case contains custom cut, protective foam
- Extra space allotted for future kit expansion
