

HD Wired USB Adapter

WPH-USB-CABLE/WPH-USB-CABLE-10A

The WPH-USB-CABLE and WPH-USB-CABLE-10A are cables that attach between a ZistosHD Handle and a tablet to provide a wired connection, for those instances or applications that cannot use a wireless connection.

FEATURES

- Easily attaches between the ZistosHD Handle and tablet without any tools
- Supported tablets include the TABET-5AR-HD and TABKET-10A-HD
- The 5" tablet may be pole mounted
- The ZistosHD Handle automatically shuts off its Wi-Fi when this cable is attached, in order to reduce power consumption. The ZistosHD Handle may be programmed to keep the Wi-Fi always on or always off if desired.
