

WalkAbout[®] DVR

The WalkAbout[®] DVR is a battery-powered, rugged weatherproof video monitor with integrated Digital Video Recording (DVR). The 5.6 inch, high resolution, color LCD is sunlight readable and provides maximum image detail and clarity in all operating conditions. The integrated DVR with removable SD card digitally records both video and still images with a simple push button.

The WalkAbout DVR is compatible with and powers all Zistos[®] cameras, poles, cables and accessories through the Zistos[®] **VisionFlex[®]** modular design philosophy.

WM-5.6-DVR

WalkAbout DVR
